PREMIUM RTA CABINET FEATURES

Dovetail Joints

Front & Back with Added Metal Corner Brackets

Our cabinet box is framed in 3/4" Birch wood with dovetail joints, signifying quality and resilience. The 1/2" plywood bottom and adjustable shelves, edge-banded in a natural wood veneer finish, add to the structural integrity and aesthetic appeal. Metal brackets are incorporated for additional strength.

Glide Effortlessly

Soft Close Undermount Full Extension Runners

The drawers feature 5-piece Birch wood fronts, harmonizing beautifully with the overall design. Constructed with a 5/8" solid wood drawer box and a robust 3/8" plywood bottom, these drawers are built to last.

Full Extension

Our Drawers Runners Slide Out All The Way!

Easy reach full extension runners with soft close and simple adjustment. Wide drawer sizes available as well as our popular microwave base cabinet.

SAME LAYOUT, BIGGER SAVINGS.

What cabinets to use to save money on the same layout?

To save money while keeping the exact same kitchen layout, you can simply choose more cost-effective cabinet configurations. These smart swaps don't compromise functionality and often improve the final look while cutting down on overall cabinet costs.

- ✓ Use large sink bases for the island, like
- ✓ Choose larger base cabinets, such as B36
- ✓ Opt for larger wall cabinets, like W3630, to reduce the total number needed
- ✓ Use 30" tall wall cabinets with crown molding for a high-end look at a lower price
- ✓ Reduce cost with diagonal corner WDC2430 or blind corner BW2430 cabinets
- ✓ Fill empty spaces with decorative items like WWR3015 wine racks or 42" Floating Shelves
- ✓ Use a shallow W3012 cabinet above the refrigerator with a built-out hidden frame instead of deeper, more expensive options

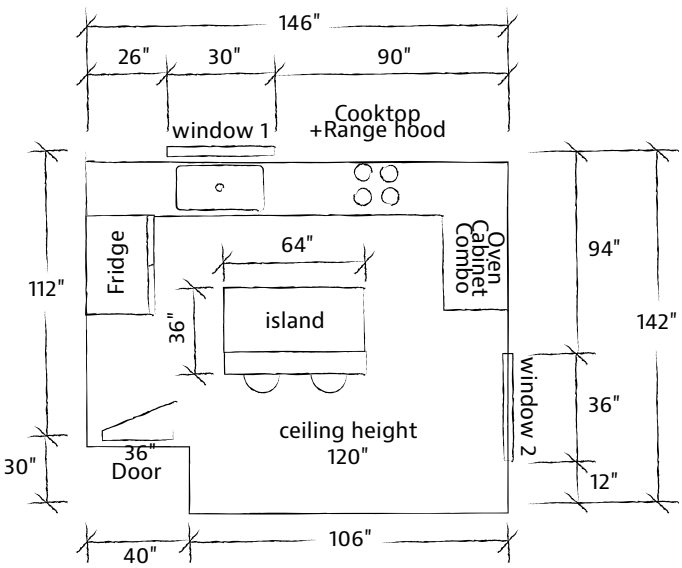
Measure and draw your kitchen.

Feel free to print and use grid template on the last page to draw floor and elevation plans.

Floor Plan

Draw a rough floor plan of your kitchen. Include the overall shape of the room, location of wall openings. Add exisitng kitchen layout if new kitchen design is not required.



Floor Plan

Elevation

In addition to floor plan draw an elevation plan of every wall and specify measurements of doors and windows. Add locations of water, drain, and gas lines. If applicable add measurements of soffits.
